

Change Healthcare Named Among *Modern Healthcare's* “Best Places to Work in Healthcare” for 2013

BRENTWOOD, Tenn. (August 14, 2013) – Change Healthcare®, the market leader in consumer engagement and cost transparency in healthcare, has been selected as one of *Modern Healthcare's* “Best Places to Work in Healthcare” for 2013. The publication shared the news this morning, when it published a non-ranked, alphabetical list of winners at www.modernhealthcare.com/bestplaces. Specific rankings will be announced at an awards gala in Atlanta on Oct. 24.

“We’re honored and proud to be a part of *Modern Healthcare's* prestigious ‘Best Places to Work in Healthcare’ list,” said Change Healthcare President and CEO Doug Ghertner. “At Change Healthcare, we are committed to sustaining a culture that is welcoming, inspiring, supportive and fun. Our employees are here because they want to be a part of something meaningful, and they bring their ‘A-Game’ everyday. It’s a wonderful company and I’m honored to lead such a great team.”

Established in 2007, Change Healthcare is on a mission to transform the way Americans purchase and utilize healthcare services by driving sustainable engagement at the individual level. With a national client base of health plans and employers covering lives in all 50 states, Change Healthcare is the premier national provider of healthcare cost transparency and consumer engagement solutions that enable consumers to: better understand and utilize their healthcare benefits; make informed healthcare purchasing decisions based on quality, cost and convenience; and manage higher out-of-pocket responsibility and realize savings. This, in turn, helps health plans and self-insured employers: control their healthcare cost growth trend; successfully migrate to more cost-effective plan types; optimize existing wellness programs and on-site clinics; and improve member/employee satisfaction and retention.
